Hello,

Today, R10 received a FOIA request from Allan Blustien with America Rising asking for all emails sent

from Natasha Greaves on December 7, 2016 and February 16, 2017 that mention Scott Pruitt.

I'm not certain if this is 'transition' and/or Union related or not, but I thought FEAT and ORC should be made aware it. It is case number R10-2017-005407 if you want to review the request. It will be assigned to Natasha under OAW for search of records. If you have questions of further directions for processing this request, please let me know as soon as possible, thanks.
